Old World Industries I Ltd.

An Old World Industries Company

July 30, 2010

Dear Valued Customer,

Please find the **August 2010 Benchmark Posted Price** for purified ethylene oxide (PEO) as allowed by contract.

<u>Product</u>	<u>Price</u>
Purified Ethylene Oxide	\$0.59 / lb

- Pricing is FOB Old World Industries' plant in Clear Lake, TX.
- Payment terms are Net 30 days
- Old World Industries will only ship PEO to qualified end users. The resale of PEO is prohibited.

The August benchmark reflects the anticipated ethylene values as continued unplanned outages drive ethylene prices higher. PEO balances continue to be balanced to tight as U.S. PEO producers have planned outages mid summer through fall.

Please contact your senior sales representative with any questions.

Sincerely,

Joel Saltzman
Senior Vice President & General Manager - Chemicals
