Dear Customer:

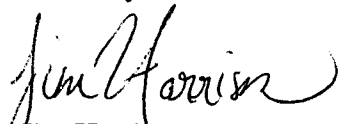

Due to continuing tightening Liquid Caustic Soda supply constraints as a result of declining global chlor-alkali operating rates, it has become necessary for Old World to announce the following off-list price increase effective March 1, 2008, or as contracts allow:

<u>Product</u>	<u>Price</u>
50% Diaphragm Grade Caustic Soda	\$50/sdt
50% Membrane Grade Caustic Soda	\$50/sdt

- Payment Terms: Net 30 Days
- Price in effect at time of shipment applies. Old World Industries has the right to limit quantities.

Please contact your Senior Sales Executive with any questions.

Sincerely,

Jim Harrison
Vice President Sales
